

Analyzing a Story

"The Three Little Pigs",
Judy Tentua

Character

A person in a novel, play, or
movie

Setting

Where an event takes place

Problem

An event needing to be dealt with
and overcome

Solution

Dealing with a difficult situation

What is a graphic organizer?

Communication tool that uses visual symbols to express characteristics in a story.

FAIRY TALE ORGANIZER

All stories are different, but every story has important details like characters, setting and plot. Use this graphic organizer to show the important details of your favorite fairy tale.

MAIN CHARACTERS

SETTING

SUPPORTING CHARACTERS

TITLE

SOLUTION

PROBLEM

The graphic organizer is a worksheet titled 'FAIRY TALE ORGANIZER'. It features a central yellow oval labeled 'TITLE' with green vine-like borders. Surrounding this central element are six rectangular boxes for notes: 'MAIN CHARACTERS' (top left), 'SETTING' (top right), 'SUPPORTING CHARACTERS' (middle left), 'SOLUTION' (bottom left), and 'PROBLEM' (middle right). Each box is decorated with small cartoon illustrations related to its category. At the bottom of the page, there are two small logos: 'www.education.com' on the left and 'www.education.com' on the right.

What will be doing....

- Teacher will pass out graphic organizer worksheets.
- Have a class discussion on graphic organizer worksheet.
- Students will complete their graphic organizer independently.

Critical Thinking Questions:

- Why did the straw and brick house fall to the ground?
- What did the third pig do differently?

This lesson our class will be doing...

- Watching a video clip "The Three Little Pigs", Judy Tentruva
 - Discussing vocabulary terms
- Completing graphic organizer worksheet
- Discuss graphic organizer on SMARTBoard
 - Answer critically thinking questions.

Professionalism Reflection:

- The classroom is themed as a movie theater, this directly engages students because kids love movies.
- This lesson builds on comprehension by using graphic organizers vis Smart Board through teacher.
 - Additional technologies that could be used are <http://www.education.com/games/three-little-pigs/>
 - This is an internet version of *The Three Little Pigs*.
- Story can be read to the students or he or she can read it.

Capstone Presentation
